

F.M.H.S. GRADS FETED AT EXERCISES SATURDAY

Graduation ceremony at the Frank Maddock High School was a Drayton Valley highlight last Saturday.

Thirty-three graduands were honored at exercises in the high school auditorium in the afternoon, followed by a banquet in the Elks Hall and climaxed with a graduation ball.

A large number of parents and friends were present for the afternoon ceremony that included presentation of awards and diplomas.

Speaker for the afternoon was H. Toews, Superintendent of Schools for Parkland County, who directed an inspiring message to the graduates. Valedictorian was Margaret Hammerlindl, who departed from the usual and delivered a very challenging address while accompanied in song and guitar by Maureen Wade.

Honors presentations were made to Bonnie Reich and Linda Dusterhoff by School Committee representatives R. Bailey and T. Johnson. Class picture was presented to Principal R. Woods by Dale Kennedy. Diplomas were presented to members of the class by Mr. Woods.

Fred Kaarsmaker and Jean Simon acted as master and mistress of ceremonies.

Speaker at the banquet in the Elks Hall early in the evening was Ralph Jaspersen, M.L.A. for Stony Plain Constituency. Mr. Jaspersen brought greetings of the government and extended best wishes to the graduands.

Dean Meraw, Chairman of the Board, extended good wishes on behalf of St. Anthony's Separate School.

Toasts were proposed by Carole Kruger, to the School Board, and the reply by County Councillor Ivan Vowk; to the staff by Dan Bartlett, responded to by Mr. Orest Heyday; to the parents by Verna Hodgeson, with the reply by Mrs. Waugh; and to the graduates by Mr. Woods, and replied to by Bonnie Reich.

The class will was read by Bonnie McGaughey and Pat Kane.

Following the banquet, the scene shifted again to the high school auditorium where the graduates took part in the Grand March and dancing by members of the class, parents and guests rounded out activities of a full and pleasant day.

Buildings Board Suggests Addition To High School

In response to the County of Parkland request for a new high school building at Drayton Valley the School Buildings Board of the Department of Education has recommended an addition to the present Frank Maddock High School rather than a new building.

The Department of Education's recommendation is to have the present high school enlarged and become a junior-senior high school and the present junior high reclassified as an elementary school to serve in that capacity along with the present elementary school.

The County School Board is arranging a meeting with the School Buildings Board in an attempt to have the board reconsider the application for the Drayton Valley school.

The committee named to meet the Buildings Board consists of R. Zander, Ivan Vowk, T.W. Johnson, R.A. Bailey and School Superintendent Henry Toews.

Still Vacancies for Training School

Another A.M.A. driver training course is set to get underway next Monday, September 22nd. There are still two vacancies in the class and anyone interested is asked to get in touch with Police Chief Bob Doig.

Honor awards were presented to two members of the 1969 graduating class at Ceremonies in the school auditorium Saturday afternoon. In the panel above, Bonnie Reich is shown at left receiving her cheque from Mr. Tom Johnson, Town Representative on the County School Committee.

Mr. Bob Bailey, Chairman of the School Board, is shown making a similar presentation to Linda Dusterhoff in the centre panel. At right, Dale Kennedy presents the class picture to Principal R. Woods.

EDITORIAL COMMENT

Problem Demands Serious Attention by All

The announcement this week that the Pheasant and Hungarian Partridge season would probably be cancelled in Alberta this year because of large quantities of poisonous insecticides found in their bodies, points out very clearly to residents of this province that we too, are assisting the rest of mankind in making the world unfit for our race.

For some time we've looked critically at the American smog problems and tut-tutted the pollution of the Great Lakes. These were far away and easily put out of mind. Now we've got a real problem of our own right at our doorstep. What can we do about it?

It should be obvious that as long as people can get away with polluting and corrupting, they will do so. We've said it before, and we sincerely believe that the answer lies with people like you and I. When we finally realize the gravity of the situation we will demand that the necessary steps are taken to preserve the world for future generations.

We hope it won't be too late when we finally get sufficiently alarmed to do something about the mess we are making of our planet.

Return to Normal

Return to school heralds the changing season and September seems to revive the community pace after the languorous days of summer.

With the coming of September, the various clubs and organizations are getting back into the swing of things and The Western Review has a request of your Club. When the new executive is formed, please don't discount the value of an effective publicity chairman.

Good publicity can mean a great deal to your organization. We offer the space to report your activities but a sincerely interested person is required in your group to make sure that we are kept informed.

Members of the wedding party are shown following the Bijeau-Shaw wedding on August 23rd.

St. Anthony's Church Setting For Late Summer Wedding

St. Anthony's Church in Drayton Valley was the scene of a lovely summer wedding on Saturday, August 23rd, when Janice Dianne Shaw, daughter of Mr. and Mrs. Finley Shaw of Tomahawk became the bride of Joseph Martin Bijeau, son of Mr. and Mrs. Fred Bijeau of Lindale. Father Lynch performed the double ring ceremony. The church was decorated with floral arrangements of pink and white mums, carnations and gladiolus. White bows with pale pink roses marked the pews.

Given in marriage by her father, the bride was radiant in a floor-length full spired Peau de Soie gown with nylon chiffon overlay. The fitted bodice had long lace lily-point sleeves and scalloped neckline. Her train of nylon chiffon and lace was held in place with white bows at the shoulders. Her veil was of white tulle with a jewelled headpiece. She carried a bride's Bible with streamers of white roses. Her only ornament was a pair of tiny pearl earrings.

The maid of honor, Miss Linda Shaw, sister of the bride, wore a floor-length A-line gown with an unpressed pleat flowing from the waist and short belted back, of mauve Peau De Soie with matching bow in her hair. The two bridesmaids, Renata Holst and Marlene Booth, wore identical Peau De Soie A-line gowns, one in pale green and the other pale apricot with matching hair bows. The maid of honor and the bridesmaids all carried a cascade of white daisies.

The flower girl, Miss Barbara Shaw, cousin of the bride, was in a floor length mauve Peau De Soie full skirted gown with short

cape sleeves. She had a matching rose in her hair and white accessories. She carried a basket of pink and white roses.

The ring bearer, Master Bobby Gillespie accompanied the flower girl, carrying the rings on a white satin cushion.

Attending the groom were his brothers, Mr. Dan Bijeau, Mr. Tom Bijeau and Mr. Andy Gerard. The ushers were Mr. Alex Woladko, cousin of the bride, and Mr. Bob Bijeau, cousin of the groom.

During the ceremony Mrs. Jean Buchanan sang "O Promise Me" accompanied by Mrs. Woods on the organ.

Mrs. Shaw chose for her daughter's wedding, a 3-piece coral and cream fortrel suit with white accessories and a coral and white corsage, while the groom's mother wore a two piece yellow dress, yellow corsage and white accessories.

Following the ceremony a reception for 200 guests was held in the Tomahawk Community Hall which was decorated in the same color scheme of pink and white streamers and bells.

The wedding cake was made by the bride's mother and decorated by Mrs. Gloria Jouan and was placed on a stand in the centre of the platform with candles and flowers in the same color scheme as the hall and brides table.

Mr. Jack Moore was master of ceremonies and read telegrams from Toronto, Belleville, Willowdale, and Simcoe, Ontario.

Mr. Johann Overbo gave the toast to the bride and Mr. Tom Bijeau to the bridesmaids. He also introduced the guests at the head table.

Following the reception an op-

en wedding dance was held with about 350 people in attendance.

For her going away outfit, the bride wore a rose fortrel dress with coat to match and white accessories. After a two week honeymoon, the happy couple will return to Edmonton to finish their final year at University.

March Committee Meets; Balance of \$4,268 in Fund

At a meeting of the Miles for Millions March Committee Monday noon it was learned that deposited pledges this year amounted to \$6,024.

Last year's march raised \$6,206 with \$4,286 contributed to Nigerian relief, Cross roads Africa and the Indian-Eskimo Association. Forty percent of the total was retained in the bank for local charitable needs and \$578 was used during the year leaving \$1,900 on deposit.

Of this year's total raised, \$153 was spent on administration and the balance divided

with \$1,174 going to the Indian-Eskimo Association of Canada; \$1,174 going to OXFAM; and \$1,174 to the Canadian Catholic Association for World Peace which undertakes relief work in many parts of the world.

Forty percent, or \$2,348 is being retained in the Drayton Valley Emergency Fund, and together with last year's surplus leaves a balance in the fund of \$4,268.

It was noted that pledges this year amounted to \$7,437 and anyone with pledges outstanding can still make deposits at the Royal Bank.

Disbursement of money was discussed at the committee meeting and it was generally agreed that the division was satisfactory. It was felt that the declared principle of the original march (to provide funds for charitable work in unfortunate areas of the world) should be adhered to.

The committee, however,

Wildwood Church Setting For Recent Ceremony

The Greek Catholic Church at Wildwood was the setting for a lovely wedding on August 30th when Miss Lois Weigl, only daughter of Mr. and Mrs. Frank Weigl, of Park Court became the bride of Mr. Michael Oleksiw, son of Mr. and Mrs. M. Oleksiw of Mackay.

Father Gulough performed the double-ring ceremony.

Entering the church on the arm of her father, the bride was lovely in a floor-length taffeta gown with an empire waist line, long sleeves and round neck. The hem was bordered by a wide lace edging. Her three-tier shoulder-length veil was held in place by a pearl and leaf head-dress. She wore a gold cross necklace and earring set, a gift from the groom.

Her bouquet was a cascade of red roses.

The bridesmaids were Miss Evelyn Miko, Miss Verna Rust and Miss Rose Oleksiw, a niece of the groom's.

All wore green satin gowns with bows at the waist and yellow flowers in their hair. They carried bouquets of yellow and white mums.

The best men were Mr. Joe Oleksiw, brother of the groom, Bill Archibald and Jerry Weigl, brother of the bride. Ushers were Mr. Harvey Hewins and Mr. Ron Weigl.

For her daughter's wedding, the bride's mother chose an emerald green dress with matching jacket, brown accessories and

yellow roses encorsage.

The groom's mother wore a deep blue fortrell dress with white accessories and a corsage of pink roses.

The Greek Catholic ladies catered to a reception for over three hundred guests which was held in the Wildwood Community Hall. The bride's table had bouquets of white glads on either side of the three-tier wedding cake which was decorated with white swans and topped by a miniature bride and groom.

Father Gulough said grace and Mr. Jerry Weigl was master of ceremonies.

Mr. Joe Wagner proposed the toast to the bridesmaids. Father Gulough spoke to the newlyweds and guests.

Later, the Cimmarron Orchestra supplied the music for an evening of dancing. For going away on a honeymoon trip to the Okanagan, the bride donned a coral dress with matching coat, white accessories and red roses.

The couple will reside in Hinton upon their return.

Pressure Control challenges wasted power by cutting wheel slip as much as 50%

Pressure Control is a new kind of hydraulic system that produces "on demand" traction according to the terrain and type of implement being pulled. With this Massey-Ferguson exclusive feature, you place extra traction weight on the rear wheels with just a touch of a lever. Instantly, thousands of additional pounds are put to work — to reduce wheel slip by as much as 50%. Not since 1935 (when the Ferguson System was introduced) has there been such a dramatic improvement in MF tractor capability.

With the added efficiency of Pressure Control, a Massey-Ferguson tractor handles bigger pull-type implements and heavier loads than could normally be expected of tractors in the same horsepower class. And because more of the engine horsepower is converted into useable power, you get more tractor — and more performance — for your money.

ONLY MASSEY-FERGUSON HAS MET THE CHALLENGE OF WHEEL SLIP SO EFFECTIVELY — WITH EXCLUSIVE PRESSURE CONTROL.

Appointed to Rec. Board

Mr. Reg Samis was appointed to the Recreation Board recently by Town Council on the board's recommendation. He replaces Mr. Hugh MacKenzie who has moved to Redwater.

At the last meeting of the Recreation Board (held August 11th) progress of the summer skating school was discussed and it was noted that the Figure Skating Club, sponsors of the event, would suffer some financial deficit.

The Figure Skating Club has paid all the bills for operating the summer school and is now awaiting a final statement which is expected in about a week's time. It should be noted that the skating club was the only organization to suffer a financial setback -- rental to the town for use of the arena and all other obligations were met by the club.

The Recreation Board, after discussing the summer skating and hockey schools felt that a review of the activities should be made to decide on the future of such schools in the community.

The matter of installation of bleachers at the swimming pool was discussed and tabled by the board for review at a later date.

The summer playground program was reported as being very successful and it was noted that many favorable comments had been received during the summer in respect to the program.

Drayton Valley Church Setting for Ceremony

The Drayton Valley United Church was the scene of a lovely summer wedding on Saturday, August 30th when Shirley Irene Gillespie became the bride of Calvin Lyle Purdy, son of Mr. and Mrs. L. Purdy of Breton.

Rev. E. Martin performed the double ring ceremony and Mrs. H. Pickup played the wedding music.

Given in marriage by her father the bride looked radiant in a floor length ensemble of acetate and nylon lace over nylon organza, empire waist and slim skirted dress.

The bride's three-tier nylon illusion bouffant veil was held in place by a cluster of hand made nylon sheet flowers with tiny simulated seed pearls and she carried a bouquet of red roses and a white bible.

The matron of honor was Mrs. Gordon Johnson, sister of the bride; with Donna Gillespie, sister of the bride; Sheila Astil, sister of the groom; and Fran Gillespie, sister of the bride as bridesmaids. They all wore short dresses of yellow fortrell with puffed sleeves. They had matching hats and short gloves, yellow roses decorated a nylon lace clutch purse.

Best man was Gordon Johnson, brother-in-law of the bride and attendants were Dwayne Laughlin, Ken Marchuk and Gary Gillespie, brother of the bride.

Ushering the guests into the church were Danny Wark, brother-in-law of the groom and Dale Heighon.

The mother of the bride chose a pink ensemble with bone and

black accessories. The groom's mother wore a blue fortrell suit with beige accessories.

The reception was held in the community hall in Breton where 190 guests gathered. Mr. Walter Joneson was master of ceremonies. After the bride's father welcomed the guests the families were introduced by the bride's father and Mrs. Percy Law and Les Properzi.

A toast to the bride was made by the best man and a toast was made to the groom by Mr. Properzi.

A three tier wedding cake centered the bride and groom's table which was also decorated with yellow candles and large white and red roses.

A dance followed the reception. The bride chose a pink ensemble with beige accessories for a going away outfit. Following a honeymoon trip in the Banff and Jasper area the couple will reside in Edmonton.

POOL CLOSES

The Drayton Valley Swimming Pool closed out the 1969 season on Friday, September 5th. The pool opened on May 24th and we experienced our best swimming season ever this year.

Pool attendance reached a new height this summer with a total of 52,867 persons using the pool for an incredible average of 505 persons per day. The top day for attendance this summer saw 1,096 swimmers taking advantage of this popular facility.

In the field of instructional swimming, a total of 603 were registered in the community sponsored Red Cross program. Of this number 368 were examined for various Red Cross awards and of these a total of 338 acquired the awards for which they were trying. In the Red Cross program sponsored by the County of Parkland, the enrollment was 98 persons, 54 of these were examined for Red Cross honors and 46 acquired the awards in question.

This was the first year that we operated the pool with each staff member a Drayton Valley resident. These people did a very good job in general. A great deal of the credit for such

are being laid around town.

Mr. Waage has moved the former Steck home to the old laundry location.

Congratulations to Mr. and Mrs. Norman Stewart (nee Carol Dykens) on the arrival of a son on September 15th weighing seven pounds, four ounces.

The Reg Knapp family had holiday visitors, Mr. and Mrs. Lorn Petrie of Lethbridge and Mr. and Mrs. C. Mitchell of Fort Langley, B.C.

Mr. and Mrs. M. Dubina and family have moved to the Schmidt apartments. Mr. Dubina has taken a position as field supervisor with Domtar. Mr. L. Kay is with the same company.

Mr. and Mrs. Wayne Schmidt have moved their trailer home to St. Albert where Wayne is employed with Calgary Power.

A sheep hunt and camping trip was enjoyed recently by Gordon Japp, Jerry Saunders and Dave Unger.

Mr. and Mrs. Eugene Haire and family are moving to Red Deer.

a successful swimming season must go to Linda McMorris who did an excellent job as Pool Supervisor this year. Linda has returned to Mount Royal College in Calgary and hopefully she will be with us in the capacity of a Pool Supervisor again in 1970.

One of the outstanding phases of the swimming program this summer was that of our competitive swimmers, the Neptune Competitive Swimming Club. The Neptunes had their greatest season. They won a vast majority of their meets throughout July and August including the Drayton Valley meet on July 26th. The team then went on to the Regional Swimming Finals where they came in second and one week later on August 31st, the local swimmers finished in second place in the Provincial competitions. The Neptune Swimming team had one fantastic season. Congratulations to the Neptune Club executive, the coaching staff, the swimmers, the drivers to the various meets and to one and all who helped make this a season to remember for the Neptune Competitive Swimming Club.

"LITTLE CANADIAN" FOOTBALL

The "Little Canadian" football program is off the ground and it looks like we might have a pretty interesting season before it's time to play hockey again. Sufficient coaches are now available to make the program go and it would seem that a bumper crowd of boys are turning out.
